***Tena Koutou, tena koutou, tena koutou katoa:***

Talofa lava, Malo lelei, Kiorana, Bula Vinaka, Namaste, Kamusta.

Tena koutou katoa and Good evening;

- 2019 we were at ST therese
- 2020 we were at Meleola
- 2021 we are at home.

COVID has dramatically affected our lives again. Last year we were able to return to school and pick up where we left off. This year that was not the case. During this Lockdown the values of our St MMK community continued to shine through. Our engagement from home was really high, something we pride ourselves on. We also kept adapting and changing trying to improve what we are doing.

We look forward to 2022 hoping to return to doing what we love to do.

- Going to mass
- Have Parents in school
- Assemblies , Cultural weeks and all the things we love.

Our Amazing staff. All of you have stood up this year. You adapted , changed and kept pushing. I have kept asking and you keep giving. We are blessed to have you all. You have always had the children in your heart and want to do the best for the school.

Every year I say this.

“We have good people who work hard”

You work hard to make our school a special place.

To our yr 8s we celebrate your graduation tonight . we cannot give you the graduation you wanted but I hope you enjoy your last day tomorrow.

Our yr 8s - Challenge yourself to continue to live the St MMK values , keep aiming high , keep achieving . remember your time here and keep striving to be the best with Gods values in your heart.

To our Board of Trustees thank you for putting your hand up and getting into the hard work during the year.

I feel very lucky to be principal of such a great school. Our school has been built on 20 years of hard work and dedication from many people and many leaders. I look forward to building on this again next year.

Ma te Atua tātou e manaaki  
God bless and have a Christ filled christmas

### **School report for End of 2021:**

Just a short follow up to end of year reports. They were all emailed to you last Wednesday with Class for 2022 in the general comment. You will also have noticed a difference in format to previous years.

We had to make changes due to the year we had. Covid has restricted the amount of teaching we were able to cover with all of our students. It also made it difficult to report on some children who have not had as high engagement during this time.

# St. MARY MACKILLOP CATHOLIC SCHOOL

The report allows us to share your child's data , highlight the skills and competencies we have seen during the year.

We hope you took the opportunity to check in with your teacher during the last week around any questions you had.
