De La Salle Boys:Volunteers Needed:

To help our PTFA - Saints troopers we need some De La Salle boys who want to complete their service hours. Tiana Muliaga one of our BOT reps will be there on the night to organise you into jobs and things needing doing. More info on this will come.

Attendance and Lateness:

Whilst we fully understand sickness and COVID is unavoidable and prevents children from attending school but we are concerned about the children with spasmodic attendance.

We now have an Engagement in Schools Worker who has been employed to assist with those students who have unexplained erratic attendance. Our aim and the aim of the Government is to strive for 95% attendance across our schools.

St. MARY MACKILLOP CATHOLIC SCHOOL

Attendance is also affected if you are regularly late to school or leave early. Please set your children up with very good self-management skills starting with getting to school on time and learning to be punctual, remind them that school starts at 8.50am and finishes at 3pm.

Parents, if you are collecting your children early from the School Office, please do not be offended if you are asked for the reason that you are collecting your child early. We are required to enter attendance details in our Student Management System.

Engagement in Schools Worker:
