Tena Koutou, tena koutou, tena koutou katoa:

“Term 4”

At St Mary MacKillop Catholic School we reflect the values of Christ as portrayed and lived by St Mary MacKillop in particular Respecting self, others and the environment. Valuing people and creation as Holy and Blessed. At our school this is what that will look like:

1. Having Lunch boxes they matter to us
2. Trying to use less plastic wrapping and packaging for our lunches
3. Trying to use reusable containers in our lunch boxes.
4. All leftover lunch rubbish gets taken home
5. Putting our fruit scraps in the class waste bin
6. Using our Paper bins correctly for recycling
7. Turning taps off properly so we don't waste water
8. Bringing a school bag to school to look after our belongings

Classes 2019:

As we get close to the end of the year we are well underway planning for 2019. It is always an exciting time where classes get chosen and thoughts of next year and the exciting learning take place.

A change for next year we will have 2 Year 2/3 classes still in A Pod. This breaks a bit from tradition, however it is always governed by the number of children in each year group. This affects our class sizes and Pod make up.

Kids for Kids choir:

We are all go again at the Vodafone Events Centre for our Kids for Kids. Our children are pumped, the lights are on in the stadium, sound check is happening and our students are going to represent our school well. The Concert is tomorrow we can't wait.
