MISSION STATEMENT

"Our School, together with family and Parish, provides a quality Catholic education where each of us strives to know and love Jesus Christ, develop a love of learning and a respect for ourselves and one another."

June 30th 2021

Fakalofa lahi atu, Greetings Kia Ora, Malo e lelei, Taloha ni, Kia Orana, Talofa Lava.

**Manaaki whenua, manaaki tangata,
haere whakamua.**

Care for the land, care for the people, go forward.

***Excellence – Colossians 3:23 "Whatever you do, do from the heart,
as for the Lord and not for others."***

Tena Koutou, tena koutou, tena koutou katoa

Mission: "Together we grow Christ centred children who are ready for the next step"

This time last year we were coming to an end of a very long term where our world had been turned upside down with COVID. For us 2021 has been the chance to have a year of learning doing all the things we love to do. Assemblies, Masses, sports and many more.

We continue to be thankful for the year we are having. We appreciate your support

Our focus this week is around our school lunches. We have been surveying our students everyday around how much of our school lunch is being eaten and how much food is coming from home. As part of our week we are also sending our lunches home so you can see what they are having.

We reemphasize

The two benefits:

- Healthy food for our children
- Reduced cost for families in sending your child to school

A couple of snapshots so far:

- Some lunch is coming in from home for A POD
- Very little lunch is coming in from home for D POD

I will send out more information in the next newsletter.

Student Led Conferences:

Term 3 Parent engagement term. Strengthen Whanau engagement to increase involvement in student learning Student Led Conferences:

It is Student Led Conference time again. We want 100% to turn out.

Keep an eye out during the holidays for the booking details.

Safe Streets:

We are on the home stretch now with the completion of our SSSS project (Safe School Streets South) in sight. The majority of the road works have been completed and the roads and foot-paths around our school are looking totally different and safer for everyone.

This week the planter boxes which our students and 2 of our dedicated BOT parents have been designing and painting are due to be placed out on the road-side. Come and have a look at their artwork and ask your child which one they may have had a hand in painting. Completion and official opening of the new look SSSS project is due before the end of this term.

A separate newsletter will be sent out detailing what these changes will mean for our school community who regularly drop off and pick up their children.

Streets
South

Board of Trustees:

We are looking for a Proprietors rep !!

A Proprietor's Representative – An active, practising Catholic appointed by the Bishop to represent the Bishop and help ensure special character of the school is well maintained.

We are looking for people. If you are keen to help our great school and can spare a few hours a month please read on.

What sort of skills do trustees need? Trustees are active leaders in their schools and need a balance of skills and experiences. They need to work well in a team, be able to put plans in place for the school's future, ask challenging questions and have good communications skills. It helps to have an understanding of financial matters and the education sector, and experience in managing people.

If you are interested please email: office@marymackillop.school.nz to express your interest
