Kia ora koutou,

Children at school during Level 3.2

I hope this letter finds you and your whānau safe and well.

We are delighted to be able to welcome more tamariki back onsite under Alert Level 3.2 from next Wednesday 17 November.

We know learning kanohi ki te kanohi is the best option for children and young people. It's important for them to connect with their friends and teachers and it helps their social, physical and emotional wellbeing.

We look forward to starting to bring children back on site. Even with the Delta variant, the risk of COVID-19 transmission in schools is low because of all the public health measures we will have in place.

For other children returning we will be managing the numbers of students attending each day to keep everyone safe.

We have decided to:

Week 5 and 6:

Every day:

- We will keep those onsite in separate groups - Classes / PODS
- we'll ensure our classrooms are well ventilated
- We'll continue to practice physical distancing where possible.

We will run a staggered timetable and staggered finish to the end of the day. This will allow us to reduce the number of interactions between students . E.g. only APOD playing and hanging with APOD. This is the same for the whole school.

We may need to limit the number of tamariki and staff onsite each day, however at the moment we chose:

“Whole school return at once”

At the moment our attendance looks like it is going to be low. We may change our week and what it looks like when attendance begins to increase.

In addition to this, all staff and children in Years 4 and above are required to wear face coverings indoors (unless they have an exemption), and we'll ensure all staff (and external contractors) who are on site are fully vaccinated or will have had at least one dose of the vaccine and return a negative weekly test.

A reminder that during Level 3.2 there is no access to the school grounds for parents.(except A5 and A6)

Pick up and Drop Off:

Under Alert Level 3.2 parents and caregivers will not be coming on site unless absolutely necessary.

Parents are to "drop off and pick up" at the A1 gate and Carpark gate.

NE, APOD, BPOD – A1 gate

C POD, DPOD – Carpark gate

A5/A6 parents onsite only – Contact register kept.

Students will not be allowed to enter before 8:15am.

Staggered finish:

- 2.00 - NE - Apod pick up - siblings
- 2.15 - BPOD - pick up -siblings
- 2.30 - C/Dpod

I realise there is a lot of information in this message. Please have a read and we will ensure a safe return to school.

Keep in contact
