

St. MARY MACKILLOP CATHOLIC SCHOOL

Mission: "Together we grow Christ centred children who are ready for the next step."

Value Term 1: Excellence

"Whatever you do, do from the heart, as for the Lord and not for others." Colossians 3:23

Kia ora ST MMK Parents, Caregivers and whānau,

**Week 10:
SLCS Online : 92 % Wow !**

We had 4 classes achieving 100%.

This is something that we can be proud of. As a community to have such a great turn out shows we care about our students and are interested in what they do. Keep building on the learning with your child's teachers so they keep achieving success at school.

We have had positive feedback around SLCS being online. We will ask for some feedback as part of a review. Our numbers have stayed high and we have seen our families engaging in a familiar environment from lockdown.

Remember:

If you are unsure about your child's progress or learning:

Contact your child's teacher:

- Ask questions that you have
- Create a line of communication that works for you and your child's teacher
"Never leave a stone unturned and a question unanswered."

Building a relationship together is what we are all about. Having you and your whanau engaging in school with us in their learning is a key to success.

Changes to the Covid Protection Framework:

All our protocols will be reviewed again before Term 2. Messaging will take place

Changes to the Covid Protection Framework will be announced again on Apr 14, 2022 .

We will retain the protocols we have in place for the rest of this term.

These include:

- No parents onsite
- Staggered Timetable
- No Assemblies
- Current classroom hygiene routines will continue
- Mandatory Mask wearing yr 4 - 8
- 3.00pm finish for Whole School

St. MARY MACKILLOP CATHOLIC SCHOOL

Keep up the Communication:

If your child returns a positive COVID-19 test result please continue to let us know.

We are continuing to work with the Covid Response Team from the Ministry of Education and updating our school's information spreadsheet.

A reminder that the isolation period for people who test positive for Covid19, and for household contacts, is 7 days.

Please ensure you notify mikep@marymackillop.school.nz or marthal@marymackillop.school.nz if your child tests positive for Covid19, or is a household contact.

Updating your contact details is very important for communication between school and home. If you have changed your home address, email or phone number please let the office know asap.

Special Character:

Week 10:

*We mark the beginning of Holy Week this Sunday. As we go to church, listen to the readings and participate in the formalities of Palm Sunday, we remember Jesus on his journey to Jerusalem for the last time as a human being.

*As we journey through Holy Week, let us reflect on the Stations of the Cross and remember how lucky we are to have been saved through Jesus' death on the cross. The children will be learning about the events of Holy Week next week. Their understanding of these events will be

reinforced when they have watched the Stations of the Cross that each class has presented.

*The Stations of the Cross for SMMK will be presented as a video. All students and teachers had a part to play. Please watch this space for more information with regards to when we will share the Stations.

I wish you all God's Blessings during Holy Week with your families.
