Monday 20th May 2024

Thankyou for supporting Pink shirt day. We choose to be part of the nationwide celebration and recognition.

We are a partner with the Sir John Kirwan Foundation to deliver Mitey – a NZ specific, evidence-based approach to teaching mental health education in our classrooms.

Designed by teachers and the brightest minds in NZ education, Mitey has been specifically developed for NZ children in Years 1-8, With ongoing support from Mitey, we help all our children to learn, as part of everyday classes, how to recognise and respond to their own mental health and those of others.

As part of our Mitey programme we learn how to deal with Bullying and how we stand up to.
